April 30, 1975

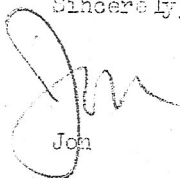

Dear Harold:

Enclosed are two wire service stories plus ~~some~~ our story on assassination articles.

As you will see, the story I did on your new transcript was abbreviated for radio; I tried to touch the major elements of the transcript in about 240 words. I hope listeners will be able to understand it.

I appreciate your reading the material to me on the phone. I'll talk to you soon.

Sincerely,

Jon
